## WORK EXPERIENCE

**Jul 2020 – Present**

---

### React Developer - Freelancer

#### Stockholm (Sweden)

- Built a COVID-19 tracker project that fetches the live data from the API using Async/Await syntax. In addition to that, this project is built using React with additional modules such as Material UI and Charts.js
- Built a project to display the population of Sweden according to cities using Apex Charts. an open-source library for creating charts to display data. This chart is built by a combination of vanilla JavaScript and React.js.
- Built a simple project management tool using react, redux and additional modules, with firebase authentication. Real-time data is fetched and stored in Cloud firestore and deployed to firebase hosting.

**Dec 2019 – Jun 2020**

---

### Sales Support - Consultant

#### Kofax, Stockholm (Sweden)

- Worked directly with end consumers regarding product licensing processes such as license generation, opportunity creation etc.
- Dealt with salesforce migration issues and improve the whole order processing system within a short period.
- Managed customer accounts and ensure excellent customer service and customer experience
- Provided troubleshooting assistance for customer orders, account statuses and relevant problems

**July 2019 – Nov 2019**

---

### Marketing Specialist - Internship

#### Pliance - Automated AML, Stockholm (Sverige)

- Managed on-site and off-site SEO, thus advancing front page organic rankings in a timely matter usually between 1-2 weeks per keyword.
- Qualified and generate leads organically and streamline the whole process using CRM- **Pipedrive** tool
- Built, A/B tested, and continually optimized advertising campaigns in AdWords and improved QS (from 3 to 7+), CTR (200% improvement) and CPV (decreased by 30%).
- Negotiated pricing with customers and suppliers to achieve an actionable outcome.

Jan 2019 – Mar 2019

---

### Marketing Associate - Internship

#### Beatnik Eyewear, Stockholm (Sverige)

- Identified new business opportunities - including new markets, growth areas, trends, customers, products and services.
- Developed new Paid Search strategy and directed execution of PPC campaigns that resulted in 109% improvement in paid search
- Worked closely with influencers to increase brand awareness and boost sales by 20%
- Increased customer conversion rate with discount and referral campaigns, generating 200 converted customers online.

## EDUCATION
